The Income and Expenditure Account accompanies this Report, and gives full details of Income and Expenditure.

## **CONTRIBUTORY SCHEME.**

The Committee again desire to draw attention to the growing strength of this Scheme, which continues to provide a substantial proportion of the Ordinary Income of the Hospital. During the year new centres have been established at Compton Valence and Stoke Wake, thus bringing the total number of branches up to 30, embracing 86 Parishes. The total collection for 1928 reached the record sum of £1465 8s. 3d., being an increase of £93 0s. 6d. on the receipts for 1927. During the year under review, no less than 371 members were admitted as In-patients, whilst a considerable number were treated as Out-patients. Such In-patients were collectively treated for a period of 9638 days or an average of 25.978 days each, but out of the total of 371 no less than 50 were patients for over 50 days, nine for over 100 days, and three for over 200 days whilst two members remained as patients for the whole year. These facts are in themselves more than sufficient to show that the Scheme has proved a considerable boon to the 371 members referred to.

The control of the financial side of the Scheme involving the supervision of the various branches is solely managed by the Hon. Treasurer (Mr. Edwin Stevens) whilst the Hon. Secretary (Mr. W. R. Marks) devotes a considerable amount of time to the Dorchester Centre which produced a very gratifying result during the year and the Committee therefore desire to tender their best thanks to these gentlemen, and also to the Joint Committee of the Scheme, the Branch representatives, collectors, and all other voluntary helpers who so ably assist in this valuable work.

Further particulars of the Scheme appear at the end of this Report.

## **OBITUARY.**

With deep regret we report the deaths of Mr. T. A. Pearce, and Mr. S. D. Allen who for many years as members of the Committee of Management have rendered the Hospital invaluable services. In addition to his other work, Mr. Pearce as one of the Honorary Financial Secretaries, has given much time and wise advice which will be much missed by the Committee.

## **APPOINTMENTS.**

We announce with much pleasure that Miss Edith Pearce, A.C.A. has very kindly consented to serve as one of the Honorary Financial Secretaries in the place of her father, the late Mr. T. A. Pearce.

Dr. G. G. Morrice, M.D. (Camb.), F.R.C.P. (London), has again been good enough to place his services as Hon. Physician at the disposal of the Hospital for another year.

Dr. William Burton Sutherland, M.B., Ch.B., was appointed House Surgeon in October, 1928, in place of Dr. J. Furman, B.Sc., M.R.C.S., L.R.C.P., resigned.

The Regular Staff of Nurses consist of the Matron, 6 Sisters, 1 Masseuse, 4 Staff Nurses, and 18 Probationers.

We congratulate Nurse Wallis and Nurse Tann on passing their final state Examination December 21st, 1928.

### **MEMBERS OF THE COMMITTEE RETIRING.**

According to Rule 28, the following Members retire in rotation :—

Col. The Lord Ellenborough, C.B.	Mrs. W. Elworthy
Col. C. M. S. Henning	Mr. D. A. Jackman, M.B.E.
Mr. Myles Patterson	Mr. F. James

All are available for re-election. Mr. D. A. Jackman was during the year elected to fill the vacancy caused by the retirement of the late Mr. S. D. Allen.

### **ANNEXE.**

The Annexe which was established for the reception of private paying patients, accommodated one hundred and five patients, one less than last year. The Annexe fills a much needed want.

### **OPHTHALMIC DEPARTMENT.**

During the year ending 1928, the attendances at the Eye Department were 1,126. This figure was made up of 255 new patients and 871 attendances of old patients, of the 255 new patients 156 were cases of Refraction (glasses), and the remaining 99 were composed of various Diseases of the Eye.

Throughout the year there has been a gradual increase in the number of patients attending and the results have been very satisfactory.

### **DENTAL DEPARTMENT.**

The following cases were dealt with in the Dental Department during 1928 :—

Out-patients and In-patients 530. An increase of 96 on the previous year.

It is hoped to carry out certain structural improvements during the coming year for the greater comfort of patients using this Department.

### **X-RAY DEPARTMENT.**

This department continues to do much useful work which shews a considerable increase on the figures for last year.

75 Opaque meal and screening examinations were carried out.

476 Patients were radiographed and 119 treatments were given.

During the past year a new 30 m.a. transformer set has been installed, metalix tubes adopted and the whole Department brought up to date at a cost of about £500.

This has very materially added to the efficiency of the Department and resulted in a great improvement in the work done.

The metalix tube is a new type which is self-protecting and does away with the heavy and cumbersome lead lined boxes which were formerly used.

It is not generally understood by those outside the Medical Profession that the scope of X-Rays is far wider than the filming of fractures and foreign bodies, and is invaluable for the detection of various lung diseases in an early stage, such as tuberculosis and also for the treatment of various skin diseases, growths, etc.

The Sister in charge has carried out her duties in a very praiseworthy manner, and has contributed largely in bringing the Department to a high state of efficiency.

The arrangements in the Dark-room which were unsatisfactory, owing to the increased work are now quite brought up to date by the institution of tank development, whereby much time has been saved.

### **VIOLET RAY, SUNLIGHT AND MASSAGE.**

These Departments under the direction of the Hon. Medical Staff have performed most useful service, 229 new cases having been treated in the Massage Department and 62 in the Ultra Violet Ray or Sunlight Treatment.

The Equipment has been brought up-to-date and is in a very efficient condition for the performance of these services.

## **GENERAL.**

### **NEW MOTOR AMBULANCE.**

The New Motor Ambulance which has been provided for the Hospital through the efforts of his Worship the Mayor of Dorchester (Mr. E. W. Tilley), Messrs. P. E. Crabb, C. J. Foot, and E. Howard, and other residents of Dorchester, is now in use, and is giving great satisfaction, and we desire to repeat our deep appreciation to all who so kindly helped to raise the necessary funds.

### **OPERATION TABLE AND NEW HAND AMBULANCE.**

A modern Operation Table has been placed in the Operating Theatre through the generosity of Mrs. Papillon, whilst Mrs. Winwood has kindly presented the Hospital with a New Hand Ambulance.

Chief Officer A. R. Jeffery and the Members of the Dorchester Fire Brigade have kindly given valuable service in connection with Fire Drill for the staff of the Hospital and for periodical inspection of the Fire Extinguishing Apparatus.

The New Heating Apparatus installed last year at a cost of £2000 has been a success.

### **EGG WEEK, 1928.**

The "Egg Week" held on March 24th and 28th, 1928, again proved a great success. The organisers being as in the past four years, Mrs. E. R. Sykes and Miss A. Clapcott, with many friends to help them. 22,722 eggs were received, also the sum of £3 5s. 6d. towards buying fresh eggs during the Winter months.

To all the organisers and to those who gave eggs and who brought them to the Hospital we record our grateful thanks.

It is hoped to hold the collection again this spring, the dates chosen being **March 13th and March 16th.**

### **TIN FOIL.**

The collection of tinfoil started last year has produced £5 14s. 1d. It is hoped that more will be raised by this means in the coming year.

### **THANKS.**

The Committee again desire to thank the Honorary Medical Staff and Surgical Staff, the House Surgeon, the Dispenser, the Chaplain, Matron, Sisters and Nurses, and the General Staff of the Hospital for the great care and attention shown by them towards the care of the Patients.

THE NEW AMBULANCE

MASSAGE ROOM.

We wish to thank the Proprietors of the *Dorset County Chronicle* and *Dorset Daily Echo* for their continued generosity in printing free of charge all news concerning the Hospital. Also the Proprietors of the *Daily Telegraph* for supplying the patients with a copy of their paper free of charge.

Alexandra Rose Day which was again organised by Miss Marsden, O.B.E. produced a sum of £62 7s. 7d., our thanks are due to Miss Marsden and those who helped her.

Mrs. F. James and the Members of the Dorset Working Women's Club have again kindly made up linen articles for the Hospital. We are most grateful to them.

We also wish to thank Mrs. Nash-Wortham and the Members of the Linen Guild for their great help. Mrs. Nash-Wortham's Report is appended elsewhere.

The Dorset Needlework Guild have also kindly made up various garments for the use of the patients and we are grateful to them.

The Committee wishes to thank all those who have so kindly helped to support the Hospital by organizing Entertainments and dances and in other ways, we are most grateful for their help.

We wish to thank once more all who have generously contributed gifts of game, vegetables, fruit, flowers, books, and magazines and other gifts.

While again thanking all the generous supporters of the County Hospital we feel it our duty to repeat our request for further financial assistance. The needs of the Hospital are constantly increasing. In the coming year we hope to undertake certain urgent structural improvements in the kitchen and other departments. To enable us to carry out these improvements and at the same time to meet the daily needs of the Institution we earnestly ask for increased assistance.

(Signed) W. J. BRYMER,  
Chairman of Committee.

### **LINEN GUILD.**

---

I think 1928 may be recorded as the dawn of the aim of the Linen Guild ; it has been supported in the most generous manner on all sides and has achieved many things. It will be seen by the balance sheet that over and above the annual subscriptions which have kept up their average, there are some very substantial sums.

The organisers of the Michaelmas Fair held in October last, handed over a magnificent sum, more than double the amount of last year ; there have also been three Donations towards starting a reserve stock cupboard, which up till now has only been a thing to look forward to in the future.

All these things have put the Guild on a very good basis and providing a steady income is maintained, there should be little, or no anxiety in the future.

Grateful thanks are due to all the collectors both in the Town and the villages ; to the organisers of the Michaelmas Fair, also to Mrs. James and her workers for all the linen they have made up, and to Mrs. Elworthy's working party who meet every week in the Board Room and mend and make up linen ; also to the Maiden Newton W.I. who made up linen provided by the Guild as well as making up material purchased out of their own funds ; also grateful thanks are due to the Hon. Auditor, Miss Pearce.

EUGENIE NASH-WORTHAM,  
*Hon. Sec. & Treasurer.*

#### **CHAPLAIN'S DEPARTMENT.**

The spiritual side of the work has been proceeding on normal lines during the past year.

The Chaplain, while making it his first endeavour to give Pastoral consolation to those committed to his charge, affords a ready welcome to the ministrations of the Clergy and Ministers of the neighbourhood who desire to give personal attention to the spiritual needs of any members of their Parish or Congregation.

The usual weekly service has been held alternately in the two main wards, and the Sunday Morning Service for members of the Staff and convalescent patients has been well attended.

Arrangements are made for " the Churching of Women " in cases where patients from the maternity ward so desire.

### EMPLOYEES' CONTRIBUTORY SCHEME.

The attention of all Governors and Employers of labour is drawn to the benefits to be derived by all Employees and others who at any time may desire to claim admission to the Hospital either as In-patients or Out-patients.

All In-patients have for several years been required to pay 10/6 per week *towards* the cost of their maintenance.

The Contributory Scheme was launched in the year, 1922, and Members thereby insure against the risk of having to pay the 10/6 per week.

The Rules are :—

- (a) Members who have been on the Roll for three months and have regularly paid their weekly subscriptions are on admission to the Hospital charged 5/3 per week only.
- (b) After six months' Membership they are on admission entitled to free treatment.
- (c) The minimum subscription is 1d. per week for a single person and 2d. per week for a contributor and his wife and children up to the age of 14 years.
- (d) The subscription also covers Admission as Out-patients to all Departments, viz. : X-Ray, Massage, Sun Light, Dentists and Ophthalmic.
- (e) Maternity cases are alone excluded from the benefit of the Scheme.

Employers of labour (including those of domestic servants) are urged to advise their Employees to become Members.

The Scheme is under the management of an entirely separate Committee and the whole of the work of collection is performed voluntarily, so that every penny subscribed is paid over to the Hospital without deduction.

Thirty Branches have been established as set forth in the annexed Summary, which also gives the names of the district Collectors in Dorchester.

Full particulars can be obtained from :—

Mr. W. R. Marks, Hon. Secretary,  
Rosalea, Monmouth Road, Dorchester ; or

Mr. Edwin Stevens, Hon. Treasurer,  
6 South Street, Dorchester.
